iQ Web SCADA Showcased at 2016 ENTELEC Expo

LEC INC joined hardware partner Red Lion Controls for this year's ENTELEC Conference and Expo held recently in Houston, Texas.

iQ Web SCADA was featured in the Red Lion booth throughout the Conference.

Justin Hogue and Red Lion's Scott Rose also partnered to give a presentation on "Best Practices for Secure Remote Industrial SCADA IIoT Communications."

ENTELEC is one of the largest conferences focused on communications and control technologies for the oil and gas industry.
